

## Upholstery

The high-quality fabric and man-made leather upholstery lines for the Vito are designed for heavy-duty use. They are easy to care for, hard-wearing and underline the visual elegance of the interior.

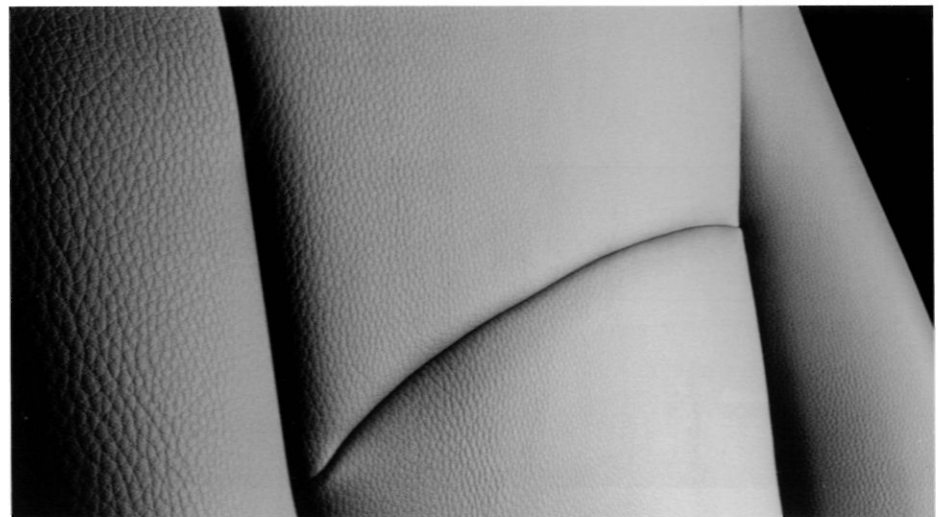

► **“Mateo” upholstery**

Hardwearing, dirt-resistant, breathable fabric upholstery. This standard upholstery has a contemporary, fresh design.

► **Leatherette upholstery**

The heavy-duty alternative: washable, particularly easy to care for and extra hard-wearing, in refined matt grey (optional).
